

Daily Routine

Opening: Prayers, Welcome song & Activities

Circle Time:

Helpers

Weather

Line Leader

Calendar-Shape, Color, Number, Letter

Snack

Unit Introduction and discussion

Some of our units are: Western, Penguins, Healthy Foods, Space, Transportation, Frogs, & Insects. A new unit & letter are done each week. The number, color, & shape change monthly.

Songs, Movement, Finger Plays

*Time spent in circle time varies from beginning of the year to the end (15-30 minutes).

Center Time:

Children are encouraged to visit each center during this time. All children will participate at the art table. We have the following centers every day.

Dramatic play

Nature

Home living

Books

Blocks

Drawing Easel

Puzzles/Games

Manipulatives

Recess:

Outside playground (weather permitting), indoor playroom or gym.

Snack/Story Time:

Every class period, one child provides a snack to share with his/her classmates. Each child will have several opportunities to share snack throughout the year. During snack we read a book that pertains to our unit.

Bible Time:

We read a bible story or devotion each week & have a bible verse for the month.

Show & Tell:

We have Show & Tell several times a month and we note on the monthly calendar the Show & Tell theme for the week.

Special Fun Events:

- **Parties:** A few parents volunteer to help plan and facilitate our parties.
1.) Fall 2.) Happy Birthday Jesus 3.) Valentines
- **Special Events:** Pumpkin Patch Field Trip Thanksgiving Feast Christmas Program Grocery Store Field Trip
Birthdays: Each child will have the opportunity to celebrate their birthday or half birthday.

DEVELOPING READINESS

- **Introducing 10 basic colors:** Red, Orange, Brown, White, Blue, Pink, Green, Black, Purple, Yellow
- **Introducing 8 basic shapes:** Circle, square, triangle, star, rectangle, heart, diamond, oval
- **Introducing numbers:** 1-10
- **Introducing letters A to Z & their sounds**
- **Learning to recognize written name**
- **Learning to hold pencil & crayons correctly**
- **Learning to hold & use scissors correctly**
- **Learning to use glue:** How to use glue bottle & determine the amount needed for project.
- **Sorts & Matches Objects:** Sort objects by color, shape & size. How to match like objects.

SELF-GROWTH

Encourage Independence:

- Learning to participate without teacher prompts
- Learning to sit during circle time discussion
- Learning to stand in line with hands to themselves

Understands responsibility:

- Learning to wash hands on their own, especially after use of bathroom
- Learning to put on coats and hang them up in proper place
- Learning to put away toys in organized manner

Listening:

- Learning appropriate times to speak in group time-listen while others speak
- Learning to raise quiet hand to speak

Social Development:

- Learning to solve problems with peers
- Learning to wait for their turn
- Learning to interact in conversations with teachers and peers in appropriate way
